## Punch Is Gone But Cleo Left Much Damage

CAPE KENNEDY, Fla. (AP) — Hurricane Cleo, no longer the blustering monster that roared through Miami, slapped weakly today at the rockets of Cape Kennedy and the city of Daytona Beach.

But the Miami Weather Bureau reported a tendency to redevelop in the offshore portion of the eye, and warned that the present northward track will carry the storm again over the Atlantic where Cleo could draw new energy from the warm Gulf Stream.

Only a 43-mile breeze, punctuated by an occasional gust up to 60, marked the passage of the once vicious storm to the west of Daytona Beach. Damage was superficial.

Hurricane warnings remained up north to Brunswick, Ga., and a hurricane watch was in effect to Charleston, S.C.

A curving, 2,500-mile path of death and destruction was behind the hurricane. Her known death toll stood at 138.

At 8 a.m. (EST), the center of the wind circulation was estimated by the Weather Bureau to be near Flagler Beach, 13 miles north of Daytona Beach.

The only hurricane winds occurring at the time were in gusts, but warnings were left unchanged, pending a penetration of the hurricane by aircraft.

Winds were gusting at 45 miles an hour at Jacksonville Beach and six foot swells pounded the coast. Moderate to heavy rains spread northward into Georgia.

Cleo, which left Miami and 200 miles of Florida's "Gold Coast" looking like a battle zone after striking with winds up to 115 miles an hour, hit Cape Kennedy with winds that peaked at 45 m.p.h.

## Hurricane Cleo Caused Some Oddities

MIAMI, Fla. (AP) — An airplane flew without a pilot, a man sunk his boat in a swimming pool to protect it and a group of children had an ice cream party because of Hurricane Cleo.

In Miami, a twin-engine DC3 apparently took off from Opa-Locka Airport as Cleo swirled by. Nobody saw the flight, but the plane cleared several obstacles that could have been avoided only by traveling up.

"She just snapped her ropes and took off," said maintenance man Brian MacDonald. "All that wind rushing under the wings creates lift, and that's all you need to fly."

In West Palm Beach, a young suburbanite dropped his motor boat into his backyard swimming pool to protect it from Cleo's 100-mile winds, a trick fishermen learned centuries ago when they sunk their craft into lagoons and rivers at the approach of bad weather. Then, as now, it works.

A West Palm Beach housewife inadvertently stocked up on a freezer full of ice cream the afternoon before Cleo struck. Her power went out and the ice cream threatened to drip all over the kitchen.

Instead, she hauled it out and gave the neighborhood children an ice cream party.

In Delray Beach, a veteran of World War I said Cleo was "worse than Argonne." The man, C. J. Hider, 72, is custodian at the drive-in theatre and lives at the bottom of the huge, extra wide screen in a four-room apartment.

Cleo ripped the screen apart bit by bit, hurling 4x4 wood beams through the ceiling of Hider's apartment. "I just kept retreating from room to room as the beams came through the ceiling," he said. "This was my first hurricane and I hope it is my last."

In Miami, two trustees at the Dade County Jail were assigned mopping up duties after Hurricane Cleo, and took advantage of the confusion to escape — barefooted.

**The Democrats**  
President Johnson and Sen. Hubert H. Humphrey accept their nominations with the roaring tributes of the Democratic convention. They turn quickly to shaping their campaign.

Tears listen in the eyes of Atty. Gen. Robert F. Kennedy as he faces cheering thousands. A 13-minute emotional outburst is touched off as he goes before the Democratic convention to honor the memory of his brother, the assassinated president.

Democratic leaders leave Atlantic City expressing optimism — and some caution — about the party's chances in the November election.

Mrs. John F. Kennedy greets thousands of Democratic delegates with a smile and a handshake.

**National**  
Hurricane Cleo spares the nation's space center at Cape Kennedy but causes millions in damage along Florida's Gold Coast. More than 130 fatalities are recorded in the Caribbean area.

Actress Gracie Allen, who co-starred with her husband on radio and television for 34 years in the Burns and Allen Show, dies of heart attack at the age of 58.

**International**  
Mobs bent on violence roam the streets of Saigon despite peace appeals by Buddhist, Catholic and government leaders.

**Washington**  
Join the Foreign Service and see the U.S.A.? Yes, that's how it works for some under a new State Department program.

**ARKANSAS**  
Arkansas' Democratic National Convention delegates head homeward, happy and confident.

## Arkansans Think Ticket Will Win

ATLANTIC CITY (AP) — Arkansas delegates headed homeward today from the Democratic National Convention, confidently predicting that President Johnson and his running mate, Sen. Hubert Humphrey, will carry the state in the November election.

Tom Harper of Fort Smith, Democratic National Committeeman, said he expects the Johnson-Humphrey ticket to win.

"The Democrats will be united in Arkansas this fall," he said. "We'll have to work but we can win. In fact, it is the Republicans who are divided—they have Barry Goldwater and Winthrop Rockefeller on the same ticket."

J.E. Dunlap, Harrison newspaper publisher, predicted Johnson would carry the state over Goldwater, the Republican nominee, by 25,000 to 30,000 and that the margin of Gov. Orval Faubus over Rockefeller would be greater.

Sen. J. W. Fulbright, D-Ark., also saw Johnson the winner over Goldwater.

Sam Lveine, Pine Bluff, wasn't quite as optimistic. "We may have to work pretty hard," he said. "But I think we can carry Arkansas."

Some of the delegation pulled out after having seen Johnson and Humphrey nominated. But a good many were on hand for their formal acceptance speeches.

## One Way to Shake Doldrums Is Make a List of Many Things You Haven't Done

By HAL BOYLE

NEW YORK (AP)—Do you ever get a "This is where I came in" feeling about life?

At such times existence seems to have a dull, boring, repetitive quality. Everything appears stale and old.

One way to shake yourself out of these mental doldrums is to sit down and make a list of the things you haven't done. It is surprising — even exciting — how many possibilities emerge to make life more interesting, or perhaps perilous.

For example, after more than half a century spent on this spinning planet, I find that I have never—

Kissed a movie star.  
Drunk champagne from a chorus girl's slipper.  
Inherited any money.  
Bitten a dog.  
Written a letter to my congressman.  
Smooched at a drive-in movie.  
Learned to drive a car, play a

THE TICKET — President Lyndon B. Johnson, right, made an unscheduled flight to the Democratic National Convention in Atlantic City, N. J., to informally accept the Democratic presidential nomination and to name Sen. Hubert Humphrey of Minnesota as his running mate. The President

formally accepted the nomination Thursday night. The Democratic nominees are shown here with their wives. Left to right: Mrs. Muriel Humphrey; Sen. Humphrey; Mrs. Johnson and the President.

## Hubert Gets Word—All 50 States

ATLANTIC CITY, N.J. (AP) — President Johnson has given the word that Sen. Hubert H. Humphrey will be ready to speak in all 50 states this election campaign.

The notice came at the Democratic National Convention when Johnson hailed the acceptance speech of the vice-presidential nominee and told the Democrats to expect more of the same throughout the nation this fall.

The Minnesota senator undoubtedly was prepared for it. He has been saying all week that the No. 2 man on the ticket must expect to carry a heavy share of the barnstorming load in the next two months.

Humphrey planned to join Johnson in an appearance before the Democratic National Committee this morning to sketch out some campaign plans.

Humphrey got a rollicking response to his acceptance speech from the throng at the concluding session of the national convention Thursday night.

The Minnesota senator had the crowd joining in on his jobs at Sen. Barry Goldwater, the Republican presidential candidate.

He listed nine items of legislation or national policy on which he said Democrats and Republicans generally had agreed in recent years, ending each time with the punch line: "But not Senator Goldwater."

The last few times, his listeners were yelling it with him.

Or Humphrey would vary it this way: "But not the temporary Republican spokesmen." The crowd seemed to like that one even better and so did Humphrey.

## Soviet Charges Are Rejected

MOSCOW (AP) — The United States and Britain today rejected Soviet charges that the proposed multinational nuclear force is designed to give West Germany nuclear weapons.

Notes from the Moscow embassies of the two North Atlantic Treaty Organization powers were delivered to the Soviet Foreign Ministry.

West Germany, a main target of Soviet criticism on the multinational force, was not immediately involved in the reply, its embassy here said, but a West German note may have been handed to the Soviet Embassy in Bonn.

## Interlopers Not Evident, Delegates Say

ATLANTIC CITY, N.J. (AP) — Two Arkansas delegates to the Democratic National Convention said today that they had seen no "interlopers" around the Arkansas delegation and that such persons were not responsible for their decision not to walk out.

Gov. Orval E. Faubus said earlier in the week that he learned from Delegate William J. Smith, his legal adviser, that "interlopers" had been standing around the Arkansas standard and shouting "Arkansas."

Faubus quoted Smith as saying that one reason the Arkansas delegation voted not to walk out in sympathy with the Mississippi delegation was because the Arkansas delegates feared the interlopers would get their seats.

Fred Pickens of Newport and J. E. Dunlap of Harrison said today they had seen no interlopers and that this played no part in the delegation's decision to remain in the convention.

Other delegates questioned by newsmen at the convention also said they were unaware of any interlopers.

Smith, one of six Arkansas delegates who returned home a day early for various reasons, said Mrs. Daisy Bates, former Little Rock integration leader, was at the convention and the delegation feared she would lead a group into the Arkansas seats if the Arkansans walked out.

## Hempstead Native Dies at Texarkana

Funeral services for Earl W. Tiffin, 53, Hempstead native who died Wednesday at Texarkana, were held Friday at Texarkana. Burial was to be at 2 p.m. today at Sardis Cemetery near Nashville. He had been a mechanic at Texarkana for the past 12 years.

Survivors include his wife, three sons, two daughters, his father, Ira Tiffin of Ozan, four brothers, including Raymond Tiffin of Ozan and four sisters, including Mrs. Ernestine Fontaine of Saratoga.

## Encephalitis Mosquitoes in Arkansas

LITTLE ROCK (AP) — The mosquitoes which transmit encephalitis, or sleeping sickness, are prevalent in Arkansas, said one state official Thursday. But another says there are ways of persons guarding themselves from being bitten by the insects.

Grover C. Dowell, entomologist for the Agricultural Extension Service, said there is a real threat of an outbreak of the disease in Arkansas. He said the Culex tarsalis mosquito which transmits one type of the disease, is widespread in the state.

Dr. J. T. Herrin, state health officer, listed today several measures that can be taken to avoid the bite of the mosquito.

He said persons should stay indoors at dusk and dawn, during the biting hours of the mosquito. He also advised that breeding areas be destroyed, insect population areas be sprayed and screen doors and windows be repaired.

Concern over an outbreak of the disease in the state rose when three cases were reported in Eureka Springs and others were suspected in Bowie County, Texas, the Texarkana area. These reports came after more than 250 cases of the disease were discovered in Houston, Tex.

Herrin said the cases reported in Eureka Springs have not been confirmed as encephalitis.

He also said that the last reported case of human encephalitis in Arkansas was in 1962, when three were confirmed. So far this year 12 horses have been found with the disease, compared to 95 found last year, he said.

## Story Hour Set for Saturday

The Junior Auxiliary story hour for youngsters ages four through six will be held at 10 a.m. Saturday at the First Assembly of God Church. This will end the August session. All children are invited.

## Mississippi Blast Shakes Negro Home

MCCOMB, Miss. (AP) — An explosion shook the home of a Negro family active in voter registration work in this racially tense southwest Mississippi town early today.

There were no injuries. The house was not damaged.

The FBI at Jackson, Miss., said it was maintaining liaison with local law enforcement agencies at McComb to determine if there had been a violation of federal law in connection with the incident.

McComb police declined comment.

The Student Non-Violent Coordinating Committee office at Greenwood, Miss., said the owner of the house, Willie J. Dillon, was arrested a short while after the explosion.

A SNCC spokesman said Dillon was arrested by the Pike County sheriff on charges of operating a garage without a license.

## B. L. Chandler, 81, of Bingen, Dies

Funeral services for Burton Lee Chandler, 81, a resident of Bingen for 46 years, were to be held at 2:30 today at Nashville by the Rev. Perry Purdie and the Rev. Roy Ward. Burial will be in Ozan Cemetery of Bingen. He died Wednesday.

Survivors include his wife, two sons, Hoy F. of Gordon, Otha B. of Texarkana, a daughter, Mrs. Hoy Crowell of Texarkana and a sister, Mrs. Lawrence Burgess of Konawa, Okla.

## Fat Youths Usually Built That Way

CHICAGO (AP) — Science has a not-too-reassuring word for anxious mothers of fat daughters.

A study announced Thursday showed that of 180 teen-age fat girls, 175 of them were just naturally built that way.

And furthermore, their builds were largely inherited from their parents.

Technically, Doctors Carl C. Seltzer and Jean Mayer of Harvard University described the 175 fat girls' build as endomorphic, having "roly-poly physique with the abdomen larger than the chest and relatively small hands and feet."

The endomorph, they said, has a natural tendency to put on fat.

Results of the study were reported in the current issue of the Journal of the American Medical Association.

## Johnson Turns to Campaign Plans to Defeat GOP

By JACK BELL

ATLANTIC CITY, N.J. (AP) — Accepting their nominations with the roaring tributes of the Democratic National Convention, President Johnson and Sen. Hubert H. Humphrey quickly turned today to the practical business of shaping a campaign aimed at defeating their Republican opponents.

Before they were to leave for a weekend at the LBJ ranch near Johnson City, Tex., the President and Humphrey, his vice-presidential running mate, arranged to brief the party's national committee on their fast-forming political plans.

First, Humphrey and then Johnson stood Thursday night in the blazing lights on the podium to tell thousands of Democrats at the closing session of their convention that they had enlisted their energies in a crusade to build "the great society" in a tumultuous world.

The President, interrupted time and again by applause, said, in accepting nomination for a first four-year elective term, that the election is "not between liberals and conservatives, party and party, platform and platform."

"It is between courage and timidity," he shouted. "It is between those who see what can be, and those who want only to maintain the status quo. It is between those who welcome the future and those who turn away from its promise."

He pledged "a constant, patient effort to move the world toward peace."

"I will use the full resources of the federal government" to assure fair play to all Americans, he continued, and said that his talents would be directed toward "bringing our nation together in unity."

In pursuit of this common purpose, he said, "I believe we shall someday see an America that knows no North, or South, no East, or West — an America undivided by creed or color, untorn by suspicion or strife."

To accomplish this, he said that "those who break the law — those who create disorder — whether in the North or in the South — must be caught and brought to justice."

"In every part of this country the law must be respected and violence must be checked," he said.

Humphrey gave the crowd a lot more to yell about.

The ebullient Minnesota senator, in his acceptance speech, flailed away at Republican presidential nominee Barry Goldwater. His tack indicated that the Democrats will have a punch-slinging equivalent of Rep. William E. Miller, the GOP vice-presidential nominee, in the campaign.

Humphrey extolled Johnson as "the president of all the people" and invited "responsible and progressive Republicans" to enlist under the Democratic banner.

## Religious Mobs Staging Riots in Viet Nam

By ROY ESSOYAN

SAIGON South Viet Nam (AP) — Vietnamese Buddhist and Roman Catholic students clashed again today in this riot-torn capital. Paratroopers then moved in with fixed bayonets and broke up the battle.

At least one Buddhist student was killed, bringing to nine the confirmed number of dead in two days of religious clashes. Several others were injured in the latest fighting.

Buddhist students, using gasoline bombs, tried for the second time in the day to burn the Catholic newspaper Xay Dung. They were met by groups of Catholics. Both mobs were wielding machetes, iron pipes, steel bars, bamboo rods and wooden clubs. They hurled bricks and stones at each other.

Fires broke out in front of the newspaper and spilled gasoline caused black blazes in the street.

The Education Ministry announced that all private and public schools in Saigon and its suburbs are being closed until further notice. The measure is aimed at bringing student rioting under control. The street gangs have defied pleas from Catholic, Buddhist and government leaders to stop the brawling.

Police and soldiers stationed around the newspaper were unable to hold back all the students. Repeatedly some broke through the lines to attack the building and throw rocks at Catholic students standing on balconies of the school building. The Catholic students also threw rocks.

Military trucks pulled up and disgorged heavily armed paratroopers wearing protective jackets.

After the body of the dead Buddhist had been carried away — his bloody head wrapped in dirty cloth — students scooped up his blood in a container. Others dipped their hands in the blood and rubbed it on their faces and arms.

## Child Suffers Burns From Gas Mower

William Duncan, 2-year-old son of Mr. and Mrs. Jerry Duncan of Spring Hill road, was burned this morning when a gasoline lawn mower which he was near, caught fire. Extent of his burns could not be determined immediately. He was taken to a local hospital by an Oakcrest ambulance.

## Prohibition Party Candidate

CHICAGO (AP) — The Prohibition party's candidate for president says he regards socialism, secularism, alcoholism, obscene literature and "that satanic menace," communism, as threats to the nation's well-being.

E. Harold Munn, in a speech to the Prohibition party convention Thursday, said the country should meet the evils "with a vigorous and dynamic program of constructive Christian action."

Some 56 delegates attended the party's national campaign convention.

Munn, 59, head of the education department at Hillsdale College, Hillsdale, Mich., told newsmen the party's goal is to take over leadership of the nation's government.

Gracie Allen, Comedienne, Dies at 58

By BOB THOMAS  
HOLLYWOOD (AP) — Gracie Allen, whose scatterbrained comedy helped make Burns and Allen a top act in show business for 34 years, died Thursday night after a heart attack. She was 58.  
Spokesmen for the family said Miss Allen died at 11:15 p.m. and that her husband, comedy actor George Burns, was at her side at Cedars of Lebanon Hospital.  
Contacted at the Burns home in Beverly Hills, William Burns, George's brother, said the popular comedienne had been in seemingly good health before being stricken.  
He said she had experienced mild heart attacks in the past. They didn't, however, seem to

slow her down much. Ten days ago she and her husband were among the guests at the gala wedding reception for Edie Adams and her new husband, Marty Mills.  
She appeared effervescent and cheerful, as she has been since her retirement in 1958.  
Until then, the strain of sustaining her nitwit role sometimes made her tense and withdrawn.  
At the time of her retirement, Burns explained why she quit: "She's never missed acting for a minute. She never was a ham, anyway. Most actors are aware of playing to an audience. Not Gracie. The side of the stage toward the audience was a wall to her. She concentrated only on what she had to say and never gave a thought to cameras or lights or makeup or anything."  
"She deserved a rest. She had been working all her life, and her lines were the toughest in the world to do. They didn't make sense, so she had to memorize every word. It took a real actress."  
"Every spare moment — in bed, under the hair dryer — had to be spent in learning lines. Do you wonder that she's happy to be rid of it?"

Miss Allen was born in San Francisco in the year of the great earthquake. Named Grace Ethel Cecile Rosalie Allen, she was one of four daughters of Edward Allen, a song and dance man then booked in San Francisco.  
At 3 1/2 she had made her stage debut. But she continued in Catholic schools until she was 14, when she began a dancing act with her three older sisters.  
Later, she joined an Irish song and dance act and at one time went to secretarial school in Hoboken, N.J. It was in New Jersey that she met George.  
She saw him on a bill at Union Hill, N.J., where he was booked as Burns and Lorraine. They met after the show and George revealed he was seeking a new partner. He suggested that Gracie join him.  
Gracie recalled later: "Of course George had written this act for himself, with himself as the comedian and I as the straight man. But the funny thing—my straight lines got the laughs. People laughed twice as hard at my not being funny as they laughed at George's being funny. When we came off after the first show, he said, 'We're switching parts, Gracie.' He rewrote the act then and there."

Burns and Allen played vaudeville for three years before he was able to convince her they should get married. They were wed in Cleveland on Jan. 7, 1926.  
After their marriage they were propelled into the big time.

Highlights in History of Today

By THE ASSOCIATED PRESS  
Today is Friday, Aug. 28, the 241st day of 1964. There are 125 days left in the year.  
Today's highlight in history:  
On this date in 1944, advancing American troops reached Chateau Thierry, beginning the re-conquest of a continent the Nazis boasted they had turned into a fortress. It was the same battlefield where their fathers had fought in World War I.  
On this date:  
In 1913, the Palace of Peace, a gift of Andrew Carnegie, was dedicated at the Hague.  
In 1922, the first Walker Cup International golf match was held at Southampton, N.Y.  
In 1926, U.S. Marines landed at Bluefields, Nicaragua, where they had been much of the time from 1912 to 1925, remaining again until 1933.  
In 1940, German and Italian planes attacked the Egyptian city of Port Said.  
In 1946, Moscow announced that food rationing would continue in Russia into 1947.  
Ten years ago — A British Labor party delegation including former Prime Minister Clemente Attlee, toured Red Chinese cities on its return home by way of Hong Kong.  
Five years ago — President Dwight D. Eisenhower and British Prime Minister Harold Macmillan flew to Scotland for an overnight visit with Queen Elizabeth and her family at Balmoral Castle.  
One year ago — Some 200,000 Negroes and whites held a civil rights rally in Washington, D.C.  
vaudeville and starred on the bill that ended Vaudeville at New York's Palace Theater. After guest-starring on Rudy Vallee and Guy Lombardo radio programs, they began their own show on Feb. 15, 1932.  
Their career continued in radio and television until Gracie's retirement.  
George once analyzed his wife's humor: "Gracie is not really crazy. If she were, we couldn't get a day's work."  
"Gracie has a sort of illogical logic. To her, everything else is a little nuts, and after listening to her, you think maybe she's right."  
The Burns lived in the same Beverly Hills home for 25 years and were a part of the social life, usually in tandem with their close friends, Jack and Mary Benny. The Burns had two adopted children, Sandra, born in 1934, and Ronald, in 1935.

## Legal Notice

In the United States District Court, Western District of Arkansas, Texarkana Division. United States of America, Plaintiff, v. 256.22 acres of land, more or less, situated in Howard and Hempstead Counties, Arkansas; and Gibson G. Corbell, et al., and unknown owners, Civil No. 881. NOTICE TO: Heirs, administrators, executors and assigns of Roy Rosenbaum, deceased. Heirs, administrators, executors and assigns of J. Foster Cannon, deceased. Heirs, administrators, executors and assigns of F. Y. Trimble, deceased. Together with spouses, if any, unknown owners, unknown heirs at law devisees, legatees, administrators, creditors and representatives of any of said persons who are deceased. You are hereby notified that a complaint in condemnation has heretofore been filed in the office of the Clerk of the above named Court in an action to condemn: The estates taken for said public uses are as follows: (a) As to Tract No. 248, the fee simple title, subject to existing easements for public roads and highways, public utilities, railroads and pipelines, reserving, however, to the owner or the owners of any interest therein, including third party lessees, their heirs, successors, and assigns, all oil, gas and other minerals in and under said land with full rights of ingress and egress for exploration, development, production and removal of said oil, gas and other minerals, provided that the said oil, gas and other minerals so reserved are subordinated to the prior right of the United States to flood and submerge the land as may be necessary in the construction, operation and maintenance of the project and provided that any exploration or development of such rights shall be subject to Federal and State laws with respect to pollution of waters of the reservoir; provided further that the District Engineer, US Army Engineer District, Tulsa District, or his duly authorized representative, shall approve in furtherance of the exploration and/or development of such reserved interests, the type of and location of any structure and/or appurtenances thereto now existing, or to be erected or constructed, in connection with such exploration and/or development; said structures and/or appurtenances there to shall not create floatable debris. (b) As to Tract No. 248E, the perpetual right, power, privilege, and easement occasionally to overflow, flood and submerge said land and to maintain mosquito control in connection with the operation and maintenance of the Millwood Dam and Reservoir Project as authorized by the Acts of Congress approved July 24, 1946 (Public Law 526 - 79th Congress) and July 3, 1958 (Public Law 85-500), together with all right, title, and interest in and to the structures and improvements now situated on the land; provided that no structures for human habitation shall be constructed or maintained on the land, and provided further that no other structures shall be constructed or maintained on the land except as may be approved in writing by said representative of the United States in charge of the project; reserving, however, to the landowners, their heirs, and assigns, all such rights and privileges as may be used and enjoyed without in-

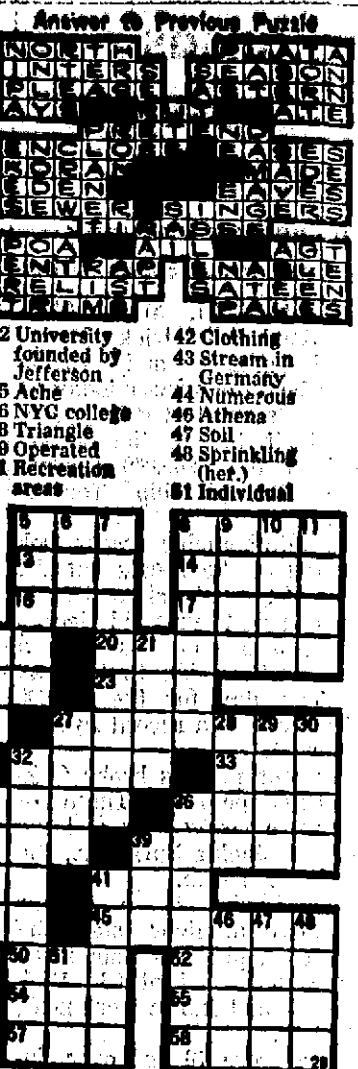

terfering with or abridging the rights and easements hereby acquired; provided further that any exploration or exploitation of oil, gas and other minerals shall be subject to Federal and State laws with respect to pollution and shall not create floatable debris; the above estate is taken subject to existing easements for public roads and highways, public utilities, railroads and pipelines; (c) As to Tracts Nos. 247E-2, and 248E-2, a perpetual and assignable easement and right of way, in, on, over and across said land, for the location, construction, operation, maintenance, replacement, and/or removal of a railroad and appurtenances in connection with Millwood Reservoir Project; together with the right to trim, cut, fell and remove underbrush, obstructions, and any other vegetation, structures, or obstacles within the limits of the right of way; reserving, however, to the landowners, their heirs, executors, administrators, successors, and assigns, all right, title, interest and privileges as may be used and enjoyed without interfering with or abridging the rights hereby taken for said public uses; the above estate is taken subject to existing easements for public roads and highways, public utilities, railroads and pipelines. (d) As to Tract No. 247E-4, the temporary easement and right of way for a period not to exceed 31 December 1967, in, over, and across said land, for the purpose of removing borrow material and/or of depositing waste material thereon in connection with the construction, operation and maintenance of Millwood Reservoir Project together with the right to trim, cut, fell and remove timber, underbrush and other vegetation, structures, and any other obstructions or obstacles; reserving, however, to the owners of said land, their heirs, administrators, executors, successors, and assigns, all such rights and privileges as may be used and enjoyed without interfering with or abridging the rights hereby acquired; the above estate is taken subject to existing easements for public roads and highways, public utilities, railroads and pipelines. In the property described in the Exhibit "A" attached hereto and made a part hereof for public use in connection with the construction, maintenance and operation of Millwood Dam and Reservoir, Little River, Arkansas, and for such other uses as may be authorized by Congress or by Executive Order. The Authority for the taking is the Act of Congress approved February 26, 1931, (46 Stat. 1421, 40 U.S.C. 258a), and Acts supplementary thereto and amendatory thereof; and under the further authority of the Acts of Congress approved April 24, 1888 (25 Stat. 94, 33 U.S.C. 591) and March 1, 1917 (39 Stat. 948, 33 U.S.C. 701), which Acts authorize the acquisition of land for flood control projects, the Acts of Congress approved July 24, 1946 (Public Law 526 - 79th Congress) and July 3, 1958 (Public Law 85-500) which Acts authorize the construction of the Millwood Dam and Reservoir, Little River, Arkansas; and the Act of Congress approved December 31, 1963 (Public Law 88-257) which Act appropriated funds for such purpose. You are further notified that if you have any objections or defense to the taking of your property, you are required to serve upon plaintiff's attorney at the address herein designated within five days after the date of the last publication of Notice, an answer identifying the property in which you claim to have an interest, stating the nature and extent of the interest claimed and stating all your objections and defenses to the taking of your property. A failure so to serve an answer shall constitute a consent to the taking and to the authority of the court to proceed to hear the action and to fix the just compensation and shall constitute a waiver of all defenses and objections not so presented. You are further notified that if you have no objection or defense to the taking, you may serve upon plaintiff's attorney a notice of appearance designating the property in which you claim to be interested, and thereafter you shall receive notice of all proceedings affecting the said property. You are further notified that at the trial of the issue of just compensation whether or not you have answered or served a notice of appearance, you may present evidence as to the amount of the compensation to be paid for the property in which you have any interest and you may share in the distribution of the award of compensation.

# Braves Defeat Giants; Chisox Victim of Twins

By MURRAY CHASS  
Associated Press Sports Writer

Hank Fischer, who had failed to last two innings in each of his previous four starts, pitched a three-hitter as Milwaukee pummeled San Francisco 13-0 Thursday night.

The American League-leading Orioles were idle, but they open a vital four-game series tonight with the Chicago White Sox whose 5-2 loss to Minnesota Thursday put them one-half game behind the Orioles.

The teams played a four-game series last weekend, with Baltimore winning three times and moving from one-half game behind the White Sox to 1½ in front. The upcoming four games — two tonight and one each Saturday and Sunday — will be the last between the contenders. Baltimore holds an 8½ edge.

Milwaukee gave Fischer a quick edge against the Giants, and the 24-year-old right-hander used it to great advantage.

In those previous four starts, Fischer didn't give the Braves a chance to build a lead for him.

He was battered for 18 runs in four innings in the appearances, running from Aug. 2 through Aug. 15.

The game was the only one in the National League. In other American League games, Detroit nipped Boston 5-4, and Los Angeles bombed Kansas City 7-1.

Fischer received strong support from Rico Carty and Woody Woodward, who each drove in four runs. Carty ignited a six-run first inning with a homer and later tripled in three runs.

Woodward climaxed the first-inning outburst with a three-run double and knocked in another run with a single.

Hank Aaron drove in a pair of runs while Lee Maye ended the 16-hit barrage with a homer in the eighth.

Jimmie Hall scored the tie-breaking run in the Twins' ninth on a double steal and a throwing error by Chicago catcher J.C. Martin. Hall had singled and advanced to second on a walk to Bob Allison. When the runners tried a double steal, Martin threw the ball past third base, permitting Hall to come in.

Minnesota added two more runs in the inning on Bernie Allen's single and Ed Fisher's wild pitch. The game had been tied 2-2 since the fifth when the White Sox rallied for two runs on Pete Ward's homer and Mike Hershberger's run-scoring single.

Detroit, trailing 4-2, rallied for three runs in the eighth inning against the Red Sox. Jerry Lumpe tripled in one, and Don Demeter knocked in the other two with a double off relief ace Dick Radatz. Fred Gladding halted a Boston threat in the eighth inning, retiring Dick Stuart on a grounder with the bases loaded.

Joe Adcock's 300th career homer was one of three for the Angels. The two-run blast off Kansas City loser Diego Segui highlighted a four-run second inning. Willie Smith and Lenny Green also connected for Los Angeles. Adcock added two singles and another RBI.

## 49ers Make Mira Await His Turn

SAN FRANCISCO 49ers

ST. MARY'S, Calif. (AP) — George Mira, the exciting rookie quarterback from Miami, is going to have to wait his turn with the San Francisco 49ers because the No. 1 job belongs to John Brodie.

Jack Christiansen, the former assistant coach who succeeded Red Hickey as boss man after the third game of the 1963 season, reports that Brodie has been going real good for the 49ers and has taken charge. Brodie missed most of last season because of a broken forearm suffered in an auto accident.

Christiansen is a practical man who realizes he can't do any overnight miracle job on a club that finished with a 2-12 record last season. Injuries did cripple the 49ers in '63. Instead of cleaning house and calling in new troops, Christiansen is hoping the men who were hurt last year will perform up to their potential.

Included in that category are veterans like defensive end Dan Colchico, defensive tackle Charlie Krueger, safety man Jerry Mertens and halfback Bill Kilmer. Colchico had two knee operations. Both Krueger and Mertens had knee injuries and Kilmer suffered a severely fractured leg in an auto crash in 1962 and missed all of the 1963 season.

Probably the top rookies are Mira, end Dave Parks of Texas Tech, the No. 1 draft in the entire National Football League, and linebacker Dave Wilcox of Oregon. Lee Grosscup, who was been making the rounds since he left New York, is getting a look at quarterback.

Brodie's receiving corps includes Clyde Conner, Bernie Casey, Kay McFarland and rookies Bob Poole of Clemson, Vern Burke of Oregon State and Parks. Without Brodie last year, the 49ers were last in the league in passing and 11th in running.

As with so many clubs in the NFL, running backs are a problem. The 49ers have Don Libson at halfback and J.D. Smith at fullback. Behind them the best are Mike Lind, hurt last year, rookie Dave Kopay and Kilmer, who still isn't up to par.

Big Bob St. Clair, back for his 12th year, and Len Rhode are the offensive tackles backed by Walt Rock. John Thomas and Leon Donohue start at guard and Bruce Bosley is the center, backed by Frank Morze.

Karl Rubke has been playing left end on defense. y Colchico will take over when ready. Clark Miller at the other end and Krueger and Roland Lakes at tackle complete the front four.

Three veteran linebackers — Ed Pine, Mike Dowdle and Matt Hazeltine — are the regulars backed by Bill Cooper and rookie Wilcox.

Jim Johnson and Abe Woodson will play the corner spots on defense with help from Howard Williams. Mertens and Kermit Alexander will be the safeties with Bobby Waters, formerly a quarterback, and Elbert Kimbrough as reserves.

## Idaho Team Continues Winning

LITTLE ROCK (AP) — Bill Grogan threw a two-hitter for Lewiston, Idaho's 2-0 victory over Waterloo, Iowa, and Rolfe Fingers twirled a three-hitter to get Upland, Calif., past Charleston by Dale Callahan and Legion Baseball Junior World Series here Thursday.

Richard Folkers, Waterloo pitcher, took his first loss in three years, setting his season record at 18-1.

Detroit plays Waterloo, Charlotte meets New Orleans and Lewiston plays Upland today.

Grogan struck out nine men and Fingers fanned seven.

Singles y Dale Callahan and Jim Minnette and an error got Lewiston a run in the sixth inning, and another came in the ninth on Jim Smith's double, a wild pitch and Lauren Messinger's single.

Upland scored in the first on a walk to Mike Ballboni, a single by Dean Harmon and a wild pitch. Charlotte tied the score with an error, an infield out and Larry Vessell's single to right.

Singles by Fingers and Steve Koker and an error got another Upland run in the fourth, and the last run came in the seventh when Don Kaltenbaugh walked, went to third on a throwing error and scored on a fly to centerfield.

## Wrestling Card for Saturday

Red McKim

Wrestling matches Saturday night at 8:30 at Fair park coliseum will bring the two Bolos, The Great and The Mighty, together as partners in a tag team match.

The Great appeared on last week's pro mat card. He now wrestles unmasked but the Mighty Bolo, whose identity is unknown, will wear his mask.

Oni Wiki, the agile Hawaiian grappler, will team with popular Red McKim of Tulsa in the tag contest. This will be for the best two of three falls with an hour time limit.

The second event pairs Oni Wiki with Al "Bolo" Lovelock. They will stage a one fall, 15 minute event. The opener brings together Red McKim and The Mighty Bolo in a one fall match.

This meet is sponsored by the VFW. Advance tickets are on sale at Flower's Sporting Goods Store.

## Ashe Glad to Be Seeded at Forrest Hills

SOUTHAMPTON, N.Y. (AP) — Arthur Ashe said he was glad to hear he was seeded eighth in the U.S. Tennis Championships at Forest Hills.

"It means a lot more pressure for me, but that's good. You expect a lot of pressure if you want to get to the top," said Ashe, a 21-year-old Negro from Richmond, Va., who is the first of his race ever named to a U.S. Davis Cup challenge round team.

Ashe is seeded fourth in the Meadow Club International grass court tournament and plays sixth-seeded Charles Pasarell of Puerto Rico in today's quarter-finals. Ashe is ranked sixth nationally, Pasarella 10th.

"It's a funny thing," Ashe said, "I'm seeded fourth here at Forest Hills."

By third, he meant only two other Americans are seeded in the U.S. championships, Dennis Ralston, No. 2, and Chuck McKinley, No. 4.

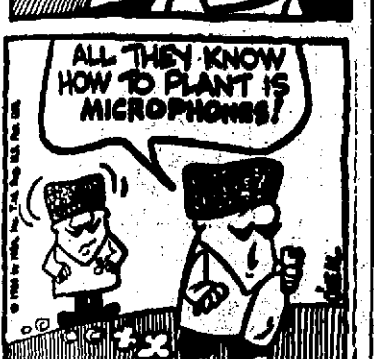

Ashe got past the third round Thursday by beating Graham Stillwell, England's junior champion, 6-3, 9-7.

Ralston, considered America's best player on the basis of the Forest Hills rankings and a pair of victories over McKinley,

## Bobcats Open Season in Just a Week

By CARTER HARDAGE  
Hope Star Sports Writer

One week from tonight the Bobcats open their season in a way that would give any coach nightmares.

The Bobcats go against the Texarkana Razorbacks, the team picked as the one to beat by the Big 12 coaches. In doing so, the Cats will have to face one of the finest passers to come on the gridiron in high school ball this season in the form of Freddie Green. In last year's Hog-Cat match, Green, then only a junior, passed for one touchdown and set up another. During the season, he had a remarkable completion of 53 per cent.

But, not only will the Hogs have an excellent passing attack, but Coach Swede Lee also expects to have a strong running game, though perhaps a little slow.

Even against such formidable opposition, Coach Alan Howard gives the Bobcats an equal chance. He states, "We're going into this game with the idea that we're going to win. They'll have to prove different to us before we'll believe it."

Adding a word of caution, Coach Howard said, "We just want to make it clear to everybody that we're not playing the Texarkana of the past."

## Redskins to Be a New Look Outfit

By BOB GREEN  
Associated Press Sports Writer

Washington's Redskins are supposed to be a new look outfit. But they've won only one of four, which is not new. This is a bad thing.

Baltimore, on the other hand, has an old look. Like Johnny Unitas. He's looking like the old Johnny Unitas. This is a very good thing.

Unitas, guiding light in Baltimore's National Football League championship years in 1958 and 1959, had all the marks of the Unitas of that era Thursday night as he directed the Colts to a 1-14 exhibition rout of the Redskins.

Unitas, one of the most feared passers in the game, connected on two touchdown passes and engineered another drive against the Redskins, whose two previous losses had been by a single point.

A sellout crowd of 45,016 jammed into D.C. Stadium in Washington for the game and saw Unitas get the defensive help that was lacking last season in the game that opened a full, 11-game weekend exhibition schedule for the major pros.

Four more games are scheduled tonight — two each in the National and American Football Leagues — and six are on tap Saturday.

The top game tonight has the St. Louis Cardinals and defending champion Chicago Bears, each with a 2-1 record, playing in Chicago. Both have played Green Bay, the Cards winning.

will take his No. 1 seeding against Martin Riesen of Evanston, Ill., seeded fifth, in another of today's quarter-finals.

Ralston advanced by beating Bitsy Harrison of Richmond, Va., assistant squash and tennis coach at West Point, 6-2, 6-3.

## Arkansas' Sikes Shoots Under Par

By BERNIE KENNEDY  
Associated Press Sports Writer

BIRMINGHAM, Mich. (AP) — Oakland Hills' tricky hump-backed greens and rookie nerves hold the answer today as the game's greatest golfers continue their bid in the second round of the \$200,000 Carling World Championship Tournament.

The unfathomable greens took their toll of the greats but the nerves of the untied youngsters held firm as 24-year-old George Archer, a pro of less than a year, grabbed the first round lead Thursday for the \$35,000 first prize with a record five-under-par 65.

Only four players broke Oakland Hills' par 70. Three of them were young pros and the other was Jackie Burke Jr., the baby-faced Texan.

Bruce Devlin, 26, a former Australian amateur star who has been a pro less than three years, was second at 68. Dick Sikes, 24, and Burke were next, tied at 69.

Others were 70 and over, including all the hotshot favorites.

Can the youngsters — Archer, Devlin and Sikes — hold up under the terrific pressure of such a rich tournament?

Can the big-name players — Arnold Palmer, Jack Nicklaus, Ken Venturi and Tony Lema — solve the intricacies of the greens which proved so frustrating on the opening day?

Palmer, who led the so-called Big Three with a 70, needed an 18-foot putt on the final hole to finish level with par, tied with nine others for fifth place.

Gary Player, bunched with almost two dozen players at 72, said "any man who could be sure of sinking a putt over two feet had to be a genius."

Nicklaus missed two putts of under two feet in a round of 73 and said, "I was driving well, but I missed seven greens and I couldn't putt."

Venturi, the National Open winner, admitted he was completely baffled by the rolling greens of the 6,907-yard layout after he fired a 74. "These greens really got my number," Venturi said.

## Monterrey After Another Title

WILLIAMSPORT, Pa. (AP) — Monterrey, Mex., will be going after an unprecedented third Little League World Series championship Saturday when it meets Staten Island, N.Y., in the tournament finals.

Both teams won close victories in the semifinals Thursday. Monterrey defeated Mobile, Ala., 4-3, and Staten Island eliminated Tachikawa City, Japan, 3-1.

Both Manager Emilio Rozel Cruz of Monterrey and Manager Bill Rogers of Staten Island expressed confidence that his team would win the 18th Little League title.

Monterrey has played in this series five times taking the title in 1957 and 1958.

## Army Worms Infesting Many Areas

Young corn, sorghum, pastures, meadows, lawns, and fall grown small grain should be watched closely for fall armyworm infestations, advises County Agent Calvin J. Caldwell.

He explains, "Fall armyworm infestations occur when night flying moth migrate from southern United States and lay eggs on susceptible crops. Eggs are laid in large numbers and the small worms are heavy eaters. When a crop is eaten, the worms may move in large numbers giving them the name, armyworm. Full grown worms are about an inch long and dark in color with an inverted white colored 'Y' on the front of the head."

Fall armyworms are grass feeders, but occasionally are found feeding on soybeans and in sorghum meadows. Damage to corn buds or whorls is usually very severe. Susceptible crops should be watched closely during August and September. Damage may occur up to the first killing frost, Mr. Caldwell cautions.

Crops may be protected by treating with malathion at one (1) pound or Sevin at 1½ pounds actual
